

Dear Parent(s)/Guardian(s):

The following is a list of supplies that your child will need on the first day of school for the 2020-2021 school year. No supplies will be shared this year; therefore, label all supplies with your child's name. All supplies should be brought on the first day of school in a zip lock bag, with the student's first and last name written on the bag. The supply list was reduced this year; however, individual notices will be sent home if your child needs anything replenished. New for this year, students may keep a spare set of gym shoes in their cubby at school, but not required. Thank you for your cooperation! Have a safe and enjoyable summer!
